

Acme Corporation — Annual Report 2025

Acme Corporation was founded in 2015 by Dr. Elena Vasquez and Marcus Chen. The company is headquartered in Portland, Oregon, with offices in Berlin and Tokyo. In fiscal year 2025, Acme Corporation reported total revenue of \$42.7 million, representing a 23% year-over-year growth from the \$34.7 million reported in 2024. The company's flagship product, AcmeFlow, was launched in March 2025 and has since acquired over 15,000 active users across 40 countries.

Acme Corporation operates with a team of 187 full-time employees as of December 2025. The engineering department accounts for 62% of the workforce, with 116 engineers. The remaining 71 employees are distributed across sales, marketing, operations, and administrative roles.

Financial Highlights — FY 2025

Revenue Breakdown by Quarter:

Q1 2025: \$8.2 million

Q2 2025: \$10.1 million

Q3 2025: \$11.5 million

Q4 2025: \$12.9 million

The strongest performing quarter was Q4 2025 with \$12.9 million in revenue, driven primarily by the holiday season demand for AcmeFlow subscriptions.

Operating expenses for FY 2025 totaled \$38.1 million, leaving an operating income of \$4.6 million. The company's net profit margin was 8.2%.

Research and development spending accounted for \$15.3 million, representing 35.8% of total revenue — a strategic investment in the next-generation AcmeFlow 2.0 platform scheduled for release in Q2 2026.

Product Roadmap — 2026

AcmeFlow 2.0 is scheduled for release in Q2 2026, featuring an entirely redesigned user interface and a new AI-powered workflow automation engine.

Key milestones for 2026:

January 2026: Closed beta program begins (500 selected customers)

March 2026: Public beta release

May 2026: General availability of AcmeFlow 2.0

September 2026: Mobile app launch (iOS and Android)

The company plans to expand into the European market with a dedicated data center in Frankfurt, Germany, operational by July 2026.

Acme Corporation has secured \$18 million in Series B funding led by Venture Partners LLC, with participation from existing investors.

This brings total funding to \$31 million since inception.
